Call for student academic posters.

Common themes for posters include reporting on research projects, for example from dissertations, thesis or group/individual projects (preliminary findings are sufficient), critical reviews of literature, and research informed reporting on practice issues.

Academic posters are normally A0 (119cm x 84cm) but – A2 (60cm x 42cm) and A1 (84cm x 60cm) posters are welcome.

Text content should be no less than 300 words and no more than 750 words.

Please consider colours careful, as what looks appealing on screen may reproduce poorly in print.

Posters should be emailed as a single powerpoint slide to conference@socialcareireland.ie on or before 5pm, Friday 9th of February, 2018. Confirmation of receipt will be emailed. Please include your name in the file title.

Entry is competitive and the decisions of the organisers are final.

Please note, the conference organisers are not in a position to print posters or to take responsibility for delivery or return. If you cannot attend to present your poster, please arrange a responsible individual who will delivery, display and return your poster.
